during the week & R16 000 over the weekend**

Elements Sunrise Bush Lodge is situated within Elements Private Golf Reserve, a stunning, unique golf estate on 495 hectares of property located only one and a half hours drive north of Pretoria in the magnificent Waterberg region of the Limpopo Province and approximately 15km from Bela Bela. This does not follow the typical golf estate layout which floods the edge of the golf course with houses. Owners and guests are provided with a true African Bushveld experience on and off the course.
